Dear Mr. Hymann !

We herewith gratefully acknowledge
the receipt of your check of \$ 600.- by our bankers
Messrs. Dreyfus Soehne & Co. in Basle being your final
allotment for the year 1937 in favor of Beth Jacob.

We shall use this grant during the
month of December and the first months of 1938 for
our training centre (Ohel Sora) in Lodz and for our
seminary in Cracow.

We trust, that your coming drives
will be more successful than ever and that you may be
able to continue your blessed work for our brethren
and sisters everywhere with increasing efficiency.

Yours very faithfully
